Hi,

This looks like a good candidate for Carolina. Following transcript is from the Emibas Swedish emigration CD:

Post 103508

Jonsdotter Persson, Carolina
Piga (unmarried woman)

b. 9/3/1830 in Tidarsrum, Östergötlands län (Östergötland)

Emigrated 1860
from Bänarp, Norra Vi, Östergötlands län (Östergötland)
to Nordamerika

Source: Household Examination Roll, p. 3

Emibas migration file ID: Norra Vi E 1860 002

Birth record is attached. This Carolina was born in Drögshult, Tidarsrum parish, Östergötland county to Jonas Persson & Brita Stina Carlsdotter 3 Sep 1830. Baptized 5 Sep. (record is on left page, second from bottom). Note: It appears that there is a Dröghult village in Nykil parish, but not Tidarsrum parish. Maybe Tidarsrum was keeping the birth records for Nykil parish at the time.
